Subject: WF -- universal waste count

Ex. 5 AC/AWP/DP

Ex. 5 AC/AWP/DP

I still want to hear from WF about this count, but this is what I'm anticipating. They may have another reason...

I also have a call into R6 to see if this issue came up during their negotiations with WF.

Sorry to keep you waiting on this, but I wanted to speak with the ORCR expert on universal waste.

Let me know if you have any questions.
